### **COVID EFFECT**

Nothing new here on this matter. The one point of interest is, as we are currently in Level 2 and from all accounts going to Level 1 in the near future, all clubs are back shooting on their designated club nights. Competitions will be starting up again and as you can see above Interclub is back on. How that will work I'll explain later in the Newsletter. Other competitions are still delayed or cancelled. Other than me letting you all know, you can see an up to date list of events on the TSNZ website [www.tsnz.nz](http://www.tsnz.nz)

### **INTERCLUB 2020**

Now for the information on how it will work for the remaining of the year. The TSA Committee had discussions on how to undertake this event. What has been decided is to have 4 Rounds, 2 @ Howick (east) and 2 @ Waitakere (west). The points systems will be the same for the Teams events, and for the Individual Comp all 4 Rounds are to count. This

means NO drop out scores. You can still do makeup rounds for the Individual Comp, they MUST be done prior to the next round is held and for the final these will need to be shot prior to the final round. Let me know your makeup score. Any team ties on Competition points will be decided by which team has the highest overall team score made up from those in the teams. If you have any questions regarding this, contact me and I'll explain. Get back to your club, they need you.

### **BSA & AUCKLAND V's WAIKATO 2020**

Given the disruption to this season, this event is still on. Those wanting to be involved let one of the selectors know ASAP. It is planned on being in Cambridge Saturday August 8 and as usual will involve teams as follows:

BSA is an Open selected team of 12 shooters combining Auckland and Waikato shooters.

Akl V Waik is 10 Open, 5 A Grade, 5 B Grade, 5 Ladies and 5 Juniors.

Everyone shoots 2x10 shot cards for each team they are in.

### **AUCKLAND OPEN**

This years event has been postponed until later this year. We are having discussions with Waikato Association as to when this can be added to the calendar. Watch this space.

**AUCKLAND PROVINCIAL CHAMPIONSHIP 2020**

Another casualty of the COVID saga, however, what we are planning to do is run a reduced competition this year. The plan is to have 4 Rounds, 2 in the Auckland area and 2 in the Waikato area. All 4 shoots are to count for the Championship, NO drop outs. We are waiting on Waikato Association agreeing to the idea and when I hear I'll get my people to contact your people.

**LAST BIT**

For those who did not know, just prior to the beginning of the Level 4 lockdown, the Auckland and Waikato and NZ shooting fraternity lost a long serving and dedicated member, tragically killed in a car accident, Warren Wilton from Putaruru Rifle Club. Warren's wife Naera has written an article about Warren and it is posted on the TSNZ website news section. A memorial service will be held at some date in the future. He will be missed.
