Teams of Ten 2014

Target Shooting Wanganui was this year's host association. They introduced "live updating of scores" via the internet which appeared to be well received and allowed shooters around the country to keep an eye on what was happening.

We improved on last year's result, finishing 6th (up one from 7th). All the team came away feeling more than a little "flat" as at the halfway stage of the competition we were within a grasp of the lead. Needless to say the second round of the competition was not one of our better performances. Manawatu took out the Rees Scroll Trophy, while Wanganui clinched the Jim Hart Trophy, congratulations to both teams.

The 2015 Competition is being hosted by Southern Hawkes Bay Association in Dannevirke.

TSA Coaching evening

Following on from the TSA AGM and subsequent requests for coaching from members, an evening has been set aside.

The date: Thursday 26th June at the Howick Rifle Range from 7:00pm.

There will be 4 Scatt training machines there that shooters can use to check their holds and shot release. The TSA bore scope will also be available to check for any defects or buildup of lead within the barrel. Positions can also be reviewed under the eye of the TSA coaching staff. Should you have any questions relating to your shooting, please jot them down and bring them along. The more information you can supply to the coaches the better they can assist you. To cover the cost of the power, tea/coffee and some nibbles, a small charge of \$5.00 will apply.

Those interested in attending can you please drop me an e-mail or text 021 389892 mbl so we have an idea of numbers attending. **NOTE:** this session is for ALL TSA members regardless of your grade.

The Last Item

To those who have nominated for the North Island team, good luck with your shooting. Those people are Nick D, Lawrence M, Emma S, Kieren S, Julie W and David W.
