### **TSA General Programme 2017/18**

Upcoming events are listed at the top of this newsletter however make sure you have ALL the dates loaded into or onto a calendar.

### **Interclub 2017**

Round 1 was seriously affected by "mother nature" and delayed by 2 weeks. Then came the traffic jam of the year (so far). Something stopped traffic coming into the city which as we all know resulted in a few of us missing the event. The TSA Board has as a one off allowed make ups for those who were affected by the traffic woes.

Round 2 held Monday 1<sup>st</sup> May at Howick went a little more smoothly from all accounts.

Excellent numbers attending is great to see and may it continue though the season.

A full set of results are available on the TSA website [www.tsa.org.nz](http://www.tsa.org.nz) for those interested.
