Interclub 2018

Three Rounds have now been completed. Remember that it is your best 5 scores that count for the individual competition of Interclub. If you want to know how you're placing, or want to know about how your club is going, have a look at the TSA website under results.

It is all there. www.tsa.org.nz

Next round is on Monday 1st July hosted by Howick.

Teams of Ten

Another year passes by. This year's hosts were Waiarapa in Masterton. We did improve from last years results however a little more is required to get back to the winners circle. Manawatu took the honors this year in the Rees Scroll Trophy (division 1) and Wanganui picked up the Jim Hart Trophy (division 2). Congratulations to both teams.

Our team learnt a lot, and we had 2 new members in the team this year, which from all accounts was an eye opener and a very enjoyable experience for them. The 2020 competition will be a little easier to get to, Palmerston North.

Congratulations to the top shooter in the Auckland team, Jonathan Gill 392.21.

NDC 2019

Round 4 of this shoot will be on Thursday 27th June at Howick. A team announcement will be made shortly.

At this stage of the completion we are very much in the mix to take the honours. Our teams are performing well and there are signs we are improving (haven't peaked yet). There are 2 more rounds then the Semi Final and Final.

Auckland are the "JAFFAS".

Target Shooting Auckland Open Championship

The poster for this shoot has been sent out. Hope you all got a copy.

As was done for the Howick Open, the shoot will be compressed time wise. The idea is to close entries at 1pm and that way everyone can get home at a respectable hour (perhaps in daylight).

The plan is to run the shoot in the same manner as previous years, share the roles between the "East" and "West" Clubs. Howick will start things off and will manage the range until 11:30am. Then the Waitakere and Auckland Clubs can take over to the finish of shooting. Catering is being arranged.

Treasurer duties will be done by myself and one other.

The main duties will be Range Officer, markers, target changers and score putter uppers.

Support your Association, show up, shoot and help out.

Last bit

In the Queens Birthday Honours list there was a recipient, Anne Howell now QSM.

Some of the newer members may not know of Anne so here is a quick highlights package: Anne was a member of Howick Rifle Club many, many years ago but the time came to hang her rifle up and focus on family life. She is married to Sel Howell who we all know. Over the years Howick and Auckland have had their respective Open Championships, held at Howick, Anne has been the caterer which we are all very appreciative about. Anne has always been available to assist behind the scenes in our sport; I can't remember when was the last time she said no to a request to help.

Anne's award is however not for shooting or assisting at shooting, it was for Services to Community and Education, being a member of school Board of Trustees etc for many, many years amongst other roles.

Congratulations Anne on your award.
