**HOW TO GET THERE:**

For those who do not know how to get to the Hamilton range here is an explanation: SH1 turn off to Gordonton (Gordonton Road). This road connects to Wairere Drive which will take you directly to the range. Stay on Wairere Drive and approx 200 meters prior to the end of the road (T junction) the range will be on the left side. There is a sealed car park in front of the building.

If you are at all unsure where you are going, ASK me please.

Those who need club equipment make sure transportation of this is sorted.

### **Interclub 2016**

Round 5 has just been completed. It was one of the closest results in Division 2 we have had this year. Waitakere A pinched the win and thereby making their lead almost unbeatable. Waitakere B took 2<sup>nd</sup> place on the night from Howick A by a single point. In Division 1 Howick A again took the honors however Waitakere A has a 4 point lead with 2 rounds to go.

Next round of Interclub is on Tuesday 23<sup>rd</sup> August at Waitakere Club.

If you want to see a full set of results, go to our website. [www.tsa.org.nz/results](http://www.tsa.org.nz/results)

### **Around the Clubs**

#### **Howick:**

Some of the junior shooters in particular, are producing fantastic scores. Also finding form are those more senior shooters in the middle grades. The new stats person (Chris E) is posting everyone's weekly scores which enhances the competition amongst the ranks. The once a month visitor nights are proving popular amongst the membership. A review of this practice is due to be undertaken and possibly re-opening membership for the remainder of the year.

#### **Auckland:**

Welcome back Jonathan G, a real asset when Interclub comes around. Goings on at Auckland club are just the same as has been for the past 3+ years...same group of people parking in the same place, setting their gear up in the same place, shooting on the same mounds, using the same gear, getting a slightly wider range of scores but still very much enjoying each other's company.

#### **Waitakere:**

Lawrence's weekly ramble is fast becoming something of a tabloid. Anything that happens at the club makes its way to the weekly ramble pages. They are having good numbers on club nights and when they have their "have-a-go" days they are well supported. The club is currently coaching Henderson High School for the upcoming Inter-Secondary School postal competition. Good luck to all.
