Teams of Ten 2024 hosted by us....TSA!

As mentioned in the last newsletter, we have secured venues for shooting, catering and the after match function. There is still a lot of planning to be completed and positions to be filled. Reading between the lines....we will need ALL of you to help out to make this event run smoothly.

The Auckland Selectors are wanting to be able to put 2 teams in this time around. That is a team in the Rees Scroll and another in the Jim Hart competitions. A minimum of 22 people. As it is at Howick Range (home range advantage), this is the perfect opportunity to "dip your toes in" this competition. Can you let me know if you want to be considered ASAP as the selectors are wanting to have trials and training camps early 2024.

Drop me a line or text, both for team consideration and being able to help out.

Have a look at the above article. It is written by Malcolm Cooper, a multiple Olympic Gold medalist and has a lot of interesting pieces for all shooters of every level. The article has been supplied by one of our Auckland coaches, Steve Petterson.

Ladies night (report from Selena)

Some pics from Ladies Night. We had 10 attendees but over 20 sign up that we couldn't accommodate! Great response. Four ladies have returned to shoot again, including one lady who has returned multiple times and is wanting to join Howick next season.

We do have more keen I just have yet to find time for them to come back for another shoot. :)
Selena.

An excellent score and in any other year it would have been a winning one...but not this year, bugger! Congratulations Taranaki. The trophy (Speer) was presented to Taranaki at the TSNZ AGM in Christchurch by the TSA representative, Steve Petterson.

OCEANIA 2023

Howick and Auckland shooter James Gray is in Australia representing NZ Juniors at this year's competition. We wish him all the best of luck in this event and will be keeping an eye out on the internet for results, which should be published on www.tsnz.nz

LAST BIT

The TSA AGM is being held on Thursday 30th November at the Howick Rifle Range. An agenda was sent out a few days ago with all the info on it.

To those who received trophies at last year's awards night, can I have your trophies back now so I can get them engraved for the next recipient.
