

# Titipounamu Summary 2015

A big thankyou to all the Associations that took part in this years competition.

Congratulations to the Waikato team on their stunning win. A fantastic team effort.

Comparing this years scores against last years, with the exception of Waikato, we see a sizable drop in scores, bugger. There is just no room for error on these cards.

The trophy (spear) will be presented at this years TSNZ Conference.

Enjoy your shooting for the remainder of the 2015 indoor season and lets do it all again in 2016, but with better scores.

Regards
